

Howard County Woodworkers Guild

New Member Prorated Annual Dues Schedule

Board reviewed and approved, effective 5 December 2019.

This page provides visitors with the Guild's Official Dues Prorate Schedule for partial year dues calculations for a Qualifying Party.

The dues prorate is based upon the Guild membership dues, which are \$35 for the full fiscal year beginning 1 June and expiring the following 30 June. The Membership Dues owed is credited \$3 per month for the balance of the Fiscal Year remaining.

There are two definitions for a Qualifying Party:

1. A person who has never been a Guild member, also known as new member.
AND
2. Returning expired-by-more-than-one-prior-fiscal-year member.
Example:
 - A. Member active in FY2015-2016, membership expired 30 June 2016.
 - B. Member lapsed FY2016-2017. Renewal after the July meeting would include a \$5 late fee.
 - C. Member returned to rejoin in FY2017-2018. Is eligible for prorated dues based upon the month the member rejoins.

The prorate calculation is based upon a current annual rate of \$35 for the Guild's fiscal year, which starts 1 July through 30 June. The Guild Board of Directors manages the dues rate, the Treasurer accounts for and deposits dues collections and the Membership Chairman tabulates dues on an individual basis in the Member Database.

The table below provides an easy reference for dues to be paid on any given month.

Note that for a Qualifying Party joining in May and June, the prorated dues for those months are waived and the new member pays for the coming fiscal year.
